Dear Historic Fincastle, Inc.,

Our Virginia Wheels Chapter of the Newmar Kountry Klub would like to thank you for your generous contribution to our May rally. Our rally was held at the Zimmerman's farm in Fincastle, VA from May 2-5. We had a wonderful time camping with friends, touring Fincastle & the Winery, eating at lots of places as well as on the farm, and playing lots of games.

Your contribution helped to add more zest to our rally. Thanks for sharing Cassandra Bulmer with us as she was a major contributor to our rally. She was wonderful. All of the information she gathered and gave to us was very informative and fun to read. Not only was the tour informative, but her friendliness made us feel right at home. Touring Fincastle was fascinating as each guide, Sherman included, filled us in on Fincastle's history. We also enjoyed the looking at all of the marvelous history in the museum. Everything was appreciated and enjoyed by all the rally participants.

Thank you again for your support and generous contribution.

Sincerely,

Jeanette Templeton
Secretary/Treasurer of Virginia Wheels
